

Mobile Safety Steps

- A range of mobile safety steps are fitted with dome covered spring loaded, Ø75mm swivel castors that retract when weight is applied. This stops the steps from moving when being used
- Supplied Knockdown for customer assembly or Fully Assembled
- Supplied with non slip treads

No of treads	Height to top tread	Overall H x D x H	Weight	KD Steps Ref	Assembled Steps Ref
4	1005mm	1790 x 554 x 882mm	28kg	2991w	2994w
5	1255mm	2080 x 554 x 1082mm	32kg	2992w	3995w
